Evaluating News, Documents, & Websites

Document Title:

1. Is this article popular or scholarly?

2. Who is the author of your article and what is his/her job?

3. Who published this article? (Publisher could mean a publication or an organization name.)

4. What do you think the purpose or mission is of the publication? Who is the intended audience? Why did the author and/or publisher choose to print or host this article?

5. Do you think the author(s) is/are being objective? Are they biased? How do you know?

6. Would you use this article as evidence for an argument you are building? Why or why not?
